The Magazine for Kids, Code, and Computer Science

Print and Online Subscriptions

The magazine provides useful articles and resource links about computer science and programming. The magazine offers easy to understand articles and how-to information, with a bit of fun.

We offer a print and online access subscription. Every print article includes the URL to the online version with additional curated links for readers to explore the topic.

A sample issue is at <https://www.KidsCodeCS.com/sample-issue>

Payment by Subscription Service

The magazine is available through Discount Magazine, EBSCO (title ID 507-154-300), WT Cox, and other magazine subscription services if you bulk order from these services.
